MISSION STATEMENT: The Creating Chances mission is to provide for the needs of children ages 18 and under that otherwise would go without. We want to show love and kindness while helping to fulfill the dreams of these children. By giving them chances at life, we hope to steer several away from negative influences that may surround them. We realize that a child can live without playing a sport or having a bicycle, but we also think that those things from childhood often form lifetime memories and help create the person we become. Creating Chances is a ministry under Life Center Church that is raising money and/or items to go to the needs of these children. We would love for you to become part of each child's future.

WAYS YOU CAN HELP:

1) DONATE USED ITEMS : Either personally or through your organization you could collect donations of gently used items that children may want or need. Some examples are:

Soccer-Cleats, shin guards, soccer shorts
Baseball-Mitts, cleats, jersey, helmet, bats
Football-cleats, pads
Clothes, Shoes, Backpacks
Tennis Shoes, Sandals,
Dance Shoes, Ballet Shoes
Bicycles, skates, skateboards
Musical Instruments

2) MONETARY DONATIONS:

Sponsoring a child: Your family or organization would like to pay for a child to play a sport. The range can be anywhere from \$40 for soccer to \$100-\$125 for baseball.

Donating money: In addition to buying the items needed from the list above, your money will also help pay for things like:

School Supplies	Camp fees
Class trip tickets	Sports/Musical lessons
Christmas gifts	Birthday gifts

3) REFER A CHILD: Referral applications are available that you can refer a child for any number of needs or services. This can be done anonymously if requested.

Your donation will be a huge blessing to someone that otherwise would go without. Thank you in advance for acknowledging that the children are our future.

Blessings,
Rod and Jamie Kent
